

AUGUST 9th Event Schedule and Notes:

Discussed: The event will be recorded and live-streamed.

Intention: Building Relationships/Deepening Community and Activism and offering clarity, tools, inspiration and partnership. Question - how will you, through this event, train and ready them to be potential discussion leaders, both at our events and at their own? Two Groups: A - Newbies. B - Returnees

Materials to be touched on and available for them at The GTP website:

- Initial research presented
- Series of personal questions to go deeper into their own relationship with voting and this issue
- Articles

What we will do with their work:

We have four intentions for their artistic contributions. **First** is at the live event. **Second** is we will make available the 'open mic' portion of each of the 5 events for anyone to use in a similar way in their own community (share the stream of the creative portion then hold Town hall discussions) or to promote the project for upcoming live-streams. **Third** we will use it to expand the community through social media. **Fourth** is for a major live event on November 3rd.
